Product description

Porsche. There Is No Substitute. A feeling that needs no explanation – it can only be experienced. The “There Is No Substitute 1948” collection embodies precisely this spirit: Porsche’s unique DNA, which combines performance, passion and timeless design. It is a tribute to the brand’s origins, and at the same time a message to all those who think ahead and carry Porsche in their hearts.

This trucker cap is synonymous with a casual style and a distinctive character. The classic design is combined with sporty details: mesh at the back for optimal ventilation, a contoured peak for a relaxed look, and an adjustable fastening for a perfect fit. And right in the centre: the iconic slogan on the front. Lightweight and comfortable – made for everyday wear.
