Product description

Sporty in all weathers: The windbreaker from the famous MARTINI RACING® Collection should not be missing on any trip. Its stand-up collar and hood withstand headwind and rain. When the weather is nice, the hood can be stowed away easily in a zipped compartment. The elastic hem with drawstring stopper is another highly flexible feature. You can protect your valuables from wind and moisture in the long side pockets, which can be closed with a zip in a contrasting colour. Visually, the sporty windbreaker features a MARTINI RACING® logo print on the chest and the MARTINI RACING® screenprint on the back. The 3D Porsche logo on the right sleeve and the high-quality MARTINI RACING® badge complete the exclusive collection look.
