Product description

This set of 20" Turbo Aero summer wheels is specifically designed for the Porsche Taycan J1 II, with a facelift model starting from the year 2024. The set includes both front and rear wheels, with dimensions of 9J x 20 ET54 for the front and 11J x 20 ET60 for the rear, ensuring a perfect fit and optimal handling characteristics for your Taycan.

The wheels are paired with high-performance Michelin summer tires, sizes 245/45 R20 for the front and 285/40 R20 for the rear, offering excellent grip and stability in warm weather conditions. These tires are designed to maximize the performance capabilities of your Porsche, providing a perfect balance between road holding and efficiency.

Each wheel is equipped with RDK sensors (Tire Pressure Monitoring System sensors), enhancing safety by constantly monitoring the tire pressure and alerting you to any significant changes that could affect driving performance or tire life.

The OEM number for these wheels is 9J1073663CC, confirming their authenticity as original Porsche parts. This set is brand new, unused, and undamaged, ensuring that you receive a product that is in pristine condition.

Ideal for Porsche Taycan owners looking to enhance their vehicle's aesthetics and performance during the summer months, this set of wheels and tires not only improves the look of your vehicle but also its handling and safety features.
