Available:	availability on request
Price:	4.523,19 € (nett:3.801,00 €)

Product description

This set of 21" Cayenne Turbo Design summer wheels is specially designed for the Porsche Cayenne E3/9Y0 II facelift from model year 2023 onwards and carries the OEM number 9Y0044663K. The wheels are not compatible with the Cayenne Coupé. This set includes four rims in size 9.5J x 21 ET46 for the front axle and 11.0J x 21 ET58 for the rear axle, painted in an attractive Vesuvius Grey. The rims are fitted with high-quality Pirelli P Zero summer tyres, which offer optimum performance on dry and wet roads. The tyre sizes are 285/45 R21 for the front axle and 315/40 R21 for the rear axle, ensuring excellent road holding and stability at high speeds. The wheels are also equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the air pressure and contribute to safety.

As original Porsche parts, these summer wheels guarantee the highest quality and a perfect fit. They are new, unused and undamaged, making them an excellent choice for your Porsche Cayenne to enhance both its appearance and driving characteristics.

Technical specifications

Front rims:	Article number: 9Y0601025DPOU9
	Quantity: 2
	Rim width: 9,5J
	Rim diameter (inch):
	Offset (ET):
