Product description

Enhance the aesthetics and performance of your Porsche Taycan with the 21" Cross Turismo Design wheel in Vesuvgrau. This genuine Porsche wheel, with an OEM number of 9J1601025AMOU9, is specifically designed for the Porsche Taycan model, ensuring a perfect fit and optimal performance.

The wheel measures 21 inches in diameter and has a width of 11.5J, providing a robust and stylish look. The offset (ET) of 66 ensures that the wheel aligns perfectly with the vehicle's suspension, offering improved handling and a smoother ride. The Vesuvgrau color adds a unique, sophisticated touch to your vehicle, making it stand out on the road.

This new, unused, and undamaged item is a Porsche Original part, guaranteeing quality and durability. It is designed to be mounted on the rear (Tył) and is suitable for both left and right sides (L=R). Whether upgrading for aesthetic reasons or replacing a damaged wheel, this 21" Cross Turismo Design wheel is an excellent choice for maintaining the high standards and performance of your Porsche Taycan.
