Product description

This high-quality 21-inch wheel in Cross Turismo design, specially designed for the Porsche Taycan, combines stylish design with outstanding functionality. The wheel has a size of 9.5J x 21 ET60 and comes in an attractive high-gloss black (technical designation: 041), which gives your vehicle a particularly elegant touch.

The rim is used but in very good condition and undamaged. As an original Porsche part, it guarantees the highest quality and a perfect fit. The OEM number for this specific model is 9J1601025AL041, which confirms its authenticity and specific adaptation to the Porsche Taycan.

With a width of 9.5J and an offset (ET) of 60, this wheel offers the perfect balance between vehicle aesthetics and performance. It is suitable for both the left and right sides of the vehicle and can be mounted on the front axle.

This wheel is ideal for drivers who want to complement the sporty aesthetics of their Porsche Taycan with a reliable and stylish wheel that has been specially developed for the requirements and performance of the Taycan Cross Turismo.
