Product description

60 Years of 911: the limited edition Touring Bag 911 from Porsche Classic is inspired by the famous houndstooth seat pattern of the first generation Porsche 911. High-quality Black leather with Red decorative stitching and an embossed Porsche Crest – just like on the horn button of the first 911 generation – visually round off the touring bag in a stylish way. The 60th anniversary badge is located on the lower right edge.

50/30/28 cm

Limited to 911 pieces.

Highlights of the '60 Years of 911' touring bag include:

- Zip pull in the style of the 1954 New Year's card,
- Internal slide-in compartment for tablets based on the door panels of the 356 Roadster,
- Side compartments for a hand lamp, paint stick, tyre pressure gauge and the technical specifications booklet – or other everyday items,
- Includes a foam insert with a high-visibility vest and warning triangle as well as a placeholder for the first-aid kit, 1L spare engine oil, a hand lamp and a tyre pressure gauge.

Also included is a folder with information about the anniversary of the 911, postcards with historical photos of the 911 and two stickers of the 60 Years logo.
