Product description

This rear bumper for the Porsche 911 model 992, specifically for the GT3 RS variant, is an original replacement part with the OEM number 9GT898014D. It comes directly from Porsche and therefore guarantees the highest quality and accuracy of fit. The bumper is in very good, undamaged condition and has been carefully checked as a used part to ensure that it meets the high standards expected of Porsche original parts.

Installing this bumper not only perfectly restores the aesthetic appearance of your Porsche 911 992 GT3 RS, but also helps to maintain structural integrity in the event of a rear-end collision. By using the original part, you can be sure that all specific contours and mounting points fit your vehicle exactly, which makes installation easier and increases safety.

This replacement part is ideal for owners of a Porsche 911 model 992 GT3 RS who value authenticity and the condition of their vehicle and want to ensure that all components meet the original specifications.
