Product description

The unique anniversary collection honours the birth of the brand in 1948, marking the date when the first Porsche sports car received its general operating licence on 8 June, 1948. The white '75Y' cap with the anniversary logo on the front is a real eye-catcher. The '75' 3D print is rubberised and the 'PORSCHÉ' lettering is embroidered in the finest quality. The buckle closure also features the 'PORSCHÉ' lettering. Embroidered stripes on the strap and the accented sandwich peak – both in the anniversary colours – round off the design. A sweatband inside the cap guarantees a high level of comfort, free from irritation.
