Article number: PCG901111A

Condition: **new**
New: a brand-new, unused.

Available: **ready for shipping**

Price: **43,20 €**
(nett:36,30 €)

Product description

Porsche Classic assembly gloves are inspired by the houndstooth seat pattern from the first Porsche 911. The palm is adorned with a diagram of the 901 engine, which also provides better grip. A magnet is fitted to the back of the hand. This practical magnet not only holds small metal fitting components, such as bolts and nuts, but also allows the gloves to be easily attached to a toolbox.

The gloves are certified as personal protective equipment against mechanical risks in accordance with DIN EN 388 (2 1 1 1 X). The screws shown in the photograph are for illustrative purposes only and are not included in the scope of delivery.
