Product description

Back to school! The stylish Porsche Lifestyle school backpack is a real eye-catcher: Porsche logos adorn the front as a reflective all-over print. The sides have reflective straps for visibility in the dark. The backpack opens and closes with a zip. Inside it is divided into two areas: The main compartment offers enough space for books and notebooks, while valuables can be stowed away quickly and easily in the front compartment. The elastic pockets on the sides of the backpack offer additional space. The adjustable shoulder straps ensure optimal fit and comfort. In red.
